

FILLING OUT THE LAFLINS TICKET FORM

To make printing your tickets more convenient we have created an Acrobat Reader “fillable form” that you can use to individualize your tickets.

This form requires the latest version of Adobe’s free Acrobat Reader. If you do not have latest version you can download it here for free: <http://get.adobe.com/reader>

Once you have opened the .pdf you will be prompted to fill out the form. In the right hand side of the window you will see a button that says “Highlight Fields” (see image below- please note that your window may look different depending on if you are using a Mac or PC). Click that button so you can easily see all of the fields.

Once you fill out the first field simply hit the “Tab” button and you should see your text repeated on the other tickets in the corresponding fields.

Continue to fill out the fields this way until complete, save your document for printing and you’re done!

The screenshot shows the Adobe Acrobat Reader interface with a fillable PDF form titled "tickets - 5 up.pdf". The form is for "ILLUSIONISTS David & Teesha LAFLIN" and includes the website "WWW.DAVIDANDTEESHA.COM". The form contains the following fields:

- EVENT TICKET**
- PRICE**: \$ Price
- DATE**: Date Info Here
- TIME**: Time:Here
- EVENT DETAILS**: Event details and location here.

A red circle highlights the "Highlight Existing Fields" button in the top right corner of the window. The form is displayed twice, with the second instance faded out.
